**Donating Hair Instructions**

**We accept 8" minimum hair length (from top to bottom). However, longer lengths are appreciated.**

**Hair needs to be clean, and thoroughly dry. Please bundle hair in a ponytail or braid before having it cut. After securing the hair, have it cut ABOVE the rubber band to keep the strands bundled together. Once it has been cut wrap lightly in a piece of dry clean newspaper (helping to absorb any moisture) and place in a seal-able plastic bag.**

## FAQ:

- Layered hair is acceptable and may be divided into multiple ponytails and then cut.
- Hair may not be colored, chemically treated (if unsure, ask your stylist).
- Not more than 10% gray.
- You may pull curly hair straight to measure, but the minimum increases to 10”.
- Hair Heroes accepts hair from all ages and all countries.
- Hair that was cut years ago or swept off the floor is not usable.
- Hair Heroes "does" accept new human hair wigs and new hair extensions.

**Tip: Having a friend cut your hair is a big help. Anyone can cut your ponytail as long as the above guidelines are followed.**

## Recommended tools required:

- Hairbrush
- Hair cutting scissors
- Elastic bands
- Re-sealable plastic bag
- Measuring Tape or Ruler
- News Paper (1 piece of new clean and dry newspaper)

Mail to the above address for processing. Postage costs an average of \$3-\$4 from most places in the US. And up to \$20 from certain countries.**

Through caring individuals like you, we can continue to provide FREE Hair Replacement Systems to children in need who would otherwise not be able to afford them. It costs anywhere from \$1,500 to \$5,000 to complete one Hair Replacement System. To help offset the costs of producing and processing these wigs, a money donation is also appreciated with your ponytail hair donation, or you may want to consider collecting pledges from family and friends when you donate hair to cancer patients. You should receive confirmation of your hair donation via e-mail (if requested) or a postcard in approximately six to twelve weeks.
